THE BEST TRUCK PROTECTION PLAN ON THE ROAD TODAY

SELECTRUCKS — BUY WITH CONFIDENCE
At SelectTrucks, we know your truck is an investment — one we help you protect with our 60-Day Buyer’s Assurance. This coverage is automatically included, at no extra charge, with every qualifying truck you purchase. Buyer’s Assurance provides added confidence for those first days your truck is on the road, protecting you from unforeseen, costly failures. Coverage begins the day you take delivery of your vehicle.

DPF AND EGR COVERAGE
Having a properly functioning emissions system is essential for maximizing fuel efficiency and staying compliant with today’s emissions standards. With Buyer’s Assurance, the diesel particulate filter (DPF) and the exhaust gas recirculation (EGR) cooler and valve are covered. Buyer’s Assurance also covers many components other coverages don’t, such as turbochargers, actuators and VPODs. Review the major component coverage list and we think you’ll agree, there’s no better truck protection plan available.

WARRANTY OFFERINGS
Buyer’s Assurance is designed to complement our range of available comprehensive used truck warranties — Select Limited Warranty, Select Extra Limited Warranty, Select After-Treatment System Limited Warranty and Favor Limited Warranty. These warranties provide coverage long after the first 60 days of ownership.

READY TO HELP
When you purchase an eligible vehicle, it will be registered in our nationwide service support system so you’ll have immediate 60-Day Buyer’s Assurance coverage. If a repair is needed, simply head to any of the hundreds of Freightliner service locations across North America. They’ll confirm your coverage, repair covered items and get you back on the road — with no deductible charge. It’s that easy. In the case of a truck-down situation, you can call our Customer Assistance Center to locate the nearest dealer.
