WE DRIVE VALUE INTO EVERY TRUCK

We know how important your trucks are to running a successful business. Our team of truck experts has one goal: **TO HELP YOU FIND THE RIGHT TRUCK TO FIT YOUR NEEDS.**

OEM-Backed: SelectTrucks vehicles are fully backed by the legendary strength and reputation of Freightliner Trucks. Our parent company, Daimler Trucks North America, is the largest heavy-duty truck manufacturer in North America. No wonder there's more confidence behind every vehicle we sell.

Quality Sourced: Our vast and well-maintained inventory is sourced from major fleets and each truck is spec'd for efficiency and durability.

Road-Ready Condition: We stand behind our trucks. At SelectTrucks, our vehicles are thoroughly reconditioned, detailed and Federal DOT certified.

Warranty: We offer the best warranty in used trucks, hands-down. Our Select Limited Warranty is OEM-backed with \$0 deductible, no aggregate claims limit and unrestricted progressive damage from covered failures. Get serviced at any Freightliner dealer in North America. Many trucks come standard with additional 60-Day Buyer's Assurance comprehensive coverage, free of charge.

Financing: We'll help you secure the best possible financing solution from a variety of down payment, interest rate and term options.

After-Sales Support: Each truck comes with 24/7 breakdown and repair coordination that can be accessed through a toll-free number.
